

Our Values

simpliHOM employs a people first approach by leveraging technology, supplying cutting-edge tools and training, and full transaction management to provide a convenient and efficient experience. By valuing people, we are able to enrich the lives of both our agents and clients, so that the real estate process can be made simple for everyone.

Our Goals

simpliHOM's mission is to Make Real Estate Simple. The brokerage aims to make the relationship between the client and agent the focal point and utilize technology to allow ultimate transparency through the home buying and selling process. By simplifying the process for all parties involved, we are able to give you your time back, so you can simpliLIVE.
